Program Info:

Do you want to help people? Are you interested in the connections between the mind, behavior, and development?

WHAT WILL I LEARN?

As a psychology major, you will learn about psychological theories and trends, explore mental processes, and be prepared to transfer to a four-year institution to advance your studies. Topics of study include abnormal psychology, human growth and development, social psychology, and educational psychology.

CAREERS IN PSYCHOLOGY

Careers in psychology include psychologists, counselors, social workers, and researchers.
