Alma Mater

V. BIANCUCCI, ARR. J. CAMPUS

Hail to thee, Blue and Gold,
Alma Mater wise and true.
Hail to thee, Blue and Gold,
Our thought are e'er with you.

As your shining Golden Dome
Proudly crowns our college home,
We shall sing in worthy praise...
Of Beaver County days.

ALL-PA Academic Scholar Winners

The All-Pennsylvania (All-PA) Academic Team recognizes top community college students, providing scholarships to transfer to Pennsylvania State System of Higher Education (PASSHE) universities, often covering two years of tuition. Sponsored by Phi Theta Kappa (PTK) and the PA Commission for Community Colleges, it honors students with high academic achievement and community service.

Cristiana Schaefer

Communication/Media Arts Major

Cristiana Schaefer is a second-year communications major. She serves as public relations officer for Phi Theta Kappa's Beta Alpha Upsilon chapter and as treasurer of PRISM Club. She is actively involved in campus and community events and has earned recognition for her academic performance and service, including placement on the President's List. After graduating from CCBC, she plans to attend Slippery Rock University with the goal of becoming a public health infection preventionist.

Sarah Windsheimer

Education Major

Sarah Windsheimer is a third-year education major and began her college journey through CCBC's High School Academies. She is an active member of Phi Theta Kappa's Beta Alpha Upsilon chapter, participates in the college's Honors Program, and has been named to the President's List. Windsheimer has also been recognized for her volunteerism, service, and leadership, and was recently hired as a para substitute at her high school alma mater. Following graduation, she plans to attend Slippery Rock University to pursue a bachelor's degree in education and become a PreK-4 teacher.

JAMES M. JOHNSON SCHOOL OF AVIATION SCIENCES

Since the Wright Brothers first took flight, professional aviators have helped us to see the world in a new way. Through the application of their knowledge and skills, graduates from CCBC's James M. Johnson School of Aviation Sciences are now ready to take flight and to carry on the tradition of innovation, safety, and exploration in careers as pilot and air traffic controllers.

SCHOOL OF HEALTH SCIENCES

Graduates of CCBC's School of Health Sciences enter a field that has demonstrated great progress, research, and technology in restoring, promoting and maintaining humans' physical and mental well-being. Through application of new knowledge and skills, they will now provide high quality and caring health care to individuals of all ages and in a variety of settings.

SCHOOL OF PROFESSIONS AND TRANSFER STUDIES

Well-rounded students from CCBC's largest academic school are prepared in five specific program pathways including business, liberal studies, STEM, education, and criminal justice. A focused curriculum, hands-on technology, and internships ensure graduates are more than ready to continue their education at one of our top transfer partners or to join the workforce a step ahead of the competition.

SCHOOL OF INDUSTRIAL TECHNOLOGY AND CONTINUING EDUCATION

The School of Industrial Technology and Continuing Education and its students always embrace an entrepreneurial spirit. Serving both the residents and business and working hand-in-hand with industry, our community thrives, and workforce needs achieved as a result. Graduates from this school are premier candidates across the tristate region for energy and advanced manufacturing, construction and other in-demand job opportunities.

Graduation Regalia

GOWNS

Pattern - Designed to be worn closed, the gown for the bachelor's degree has pointed sleeves. The gown for the master's degree has an oblong sleeve, open at the wrist, like the others. The sleeve base hangs down in the traditional manner. The rear part of its oblong shape is square cut, and the front part has a arc cut away. The gown for the doctoral degree has bell-shaped sleeves.

Trimmings - Gowns for the bachelor's degree or master's degree are untrimmed. For the doctoral degree, the gown is faced down the front with black velvet; three bars of velvet are used across the sleeves. For all academic purposes, including trimmings of doctoral gowns, edging of hoods, and tassels of caps, the colors associated with the different disciplines are as follows:

Agriculture	Maize
Arts, Letters, Humanities	White
Commerce, Accountancy, Business	Drab
Dentistry	Lilac
Economics	Copper
Education	Light Blue
Engineering	Orange
Fine Arts, including Architecture	Brown
Forestry	Russet
Journalism	Crimson
Law	Purple
Library Science	Lemon
Medicine	Green
Music	Pink
Nursing	Apricot
Oratory (Speech)	Silver Gray
Pharmacy	Olive Green
Philosophy	Dark Blue
Physical Education	Sage Green
Public Administration, including Foreign Service	Peacock Blue
Public Health	Salmon Pink
Science	Golden Yellow
Social Work	Citron
Theology	Scarlet
Veterinary Science	Gray

HOODS

Length - The length of the hood worn for the bachelor's degree must be three feet, for the master's degree three and one-half feet, and for the doctoral, four feet.

Linings - The hoods are to be lined with the official color or colors of the college or university conferring degree.

Trimmings - The binding or edging of the hood is to be velvet or velveteen, two inches, three inches, and five inches wide for the bachelor's, master's and doctoral degrees, respectively; the color should be indicative of the subject to which the degree pertains. For example, the trimmings for the degree of Master of Science in Agriculture should be maize, representing agriculture, rather than golden yellow, representing science.

CAPS

Material - Cotton poplin, broadcloth, rayon, or silk, to match the gown are to be used. Only doctoral degrees use velvet.

Color - Black

Tassel - A long tassel to be fastened to the middle point of the top of the cap. The tassel should be black or the color appropriate to the subject, with the exception of the doctoral cap that may have a tassel of gold.
